Pump up promotion for the event! Get your community excited by posting
to internal dashboards, and social accounts, having a giveaway, popcorn,
etc.

2 DAYS BEFORE YOUR SCREENING

Send out reminders for last-minute additions.
Polls are also a fun way to get attention and educate. We recommend
sending one to your community of a mental health question that's easy to
answer. Here are some suggestions, but feel free to come up with your own!

- 1-10: How comfortable are you talking about mental health?
- Yes or No: Have you ever been bullied?
- Yes, No, or Maybe: Do you think it is important that the school prioritizes addressing bullying and mental health support for our students and educators?

DAY OF YOUR SCREENING

Today's the big day! Send out a reminder email about the timing of your
event. The movie is less than an hour, following a 30-minute panel, making
the event generally under 90 mins (you can always run long).
Send out instructions for virtual access or in-person attendance.
Remind all viewers to complete the survey! The data is super helpful for you
community.

IMMEDIATELY AFTER YOUR SCREENING

Promptly following your event while the community is still engaged, ask them to go back to the dashboard home page and complete the survey. If you are hosting an in-person event, you can also have the audience access the survey on their smartphones via a QR code. This survey will provide you with the film's impact on your community, so encourage them to complete it! We will send you a report of the results after access to the film expires.

AT HOME, HYBRID ON-DEMAND ACCESS

Wh	en you share access with families at home:
0	Remind your community of the dates.
	Provide the link and instructions on how to access the materials.
0	Send reminders to inform your community to watch the film at home if they
	can't make it in person. We suggest not mentioning at-home viewing until
	after your event to ensure more people will show up in person!
0	Encourage viewers to use additional supporting materials provided in tabs
	of the dashboard.
	Remind them to take the survey immediately following the film.
